19–20 February

Panel Discussions, Roundtables

21 February

Optional visit to schools & Ayodhya

Leadership Circle 1 set the stage for transformative discussions, bringing together government officials, nonprofits, and corporates to share best practices and create actionable strategies for advancing foundational literacy and numeracy (**FLN**). The focus was clear: to accelerate progress and achieve **NIPUN** goals ahead of time.

Now, **Leadership Circle 2** shifts the focus to action and results. This next gathering will center on showcasing the impact of Rapid Results Initiatives (**RRIs**) launched using the ALfA pedagogy.

ALfA—Accelerating Learning for All is a swift, effective **45-day FLN** approach designed to transform outcomes at scale. Start your RRI now, implement change, and bring back measurable results to share and refine at Circle 2.

Expect deeper engagement, collaborative brainstorming, and actionable roadmaps to amplify success stories. Together, we'll refine strategies and plan the next steps for systemic transformation.

INDIA'S FASTEST GROWING FLN PROGRAM

Join the Literacy Revolution

from 20 schools
to 17,000

Himachal Pradesh

Implementation has begun in 496 schools of Solan district, with an MOU in place for taking it state-wide in the 2024-25 session.

Haryana Rajasthan Uttarkhand

IIMPACT women's literacy program expanded to 9000 women across North India.

Ladakh

We are piloting a new way of disruptive learning - ALfA with 17000 ft Foundation in 30 selected schools of Leh district in Ladakh.

Uttar Pradesh

ALfA is being scaled up in schools across four districts: Shamli, Lucknow, Unnao and Barabanki. Adult literacy programs are also being implemented across several districts.

Mizoram

An adult literacy program implemented in partnership with the department of education has reached 5000 learners. There are now plans to implement ALfA in primary schools too.

Madhya Pradesh

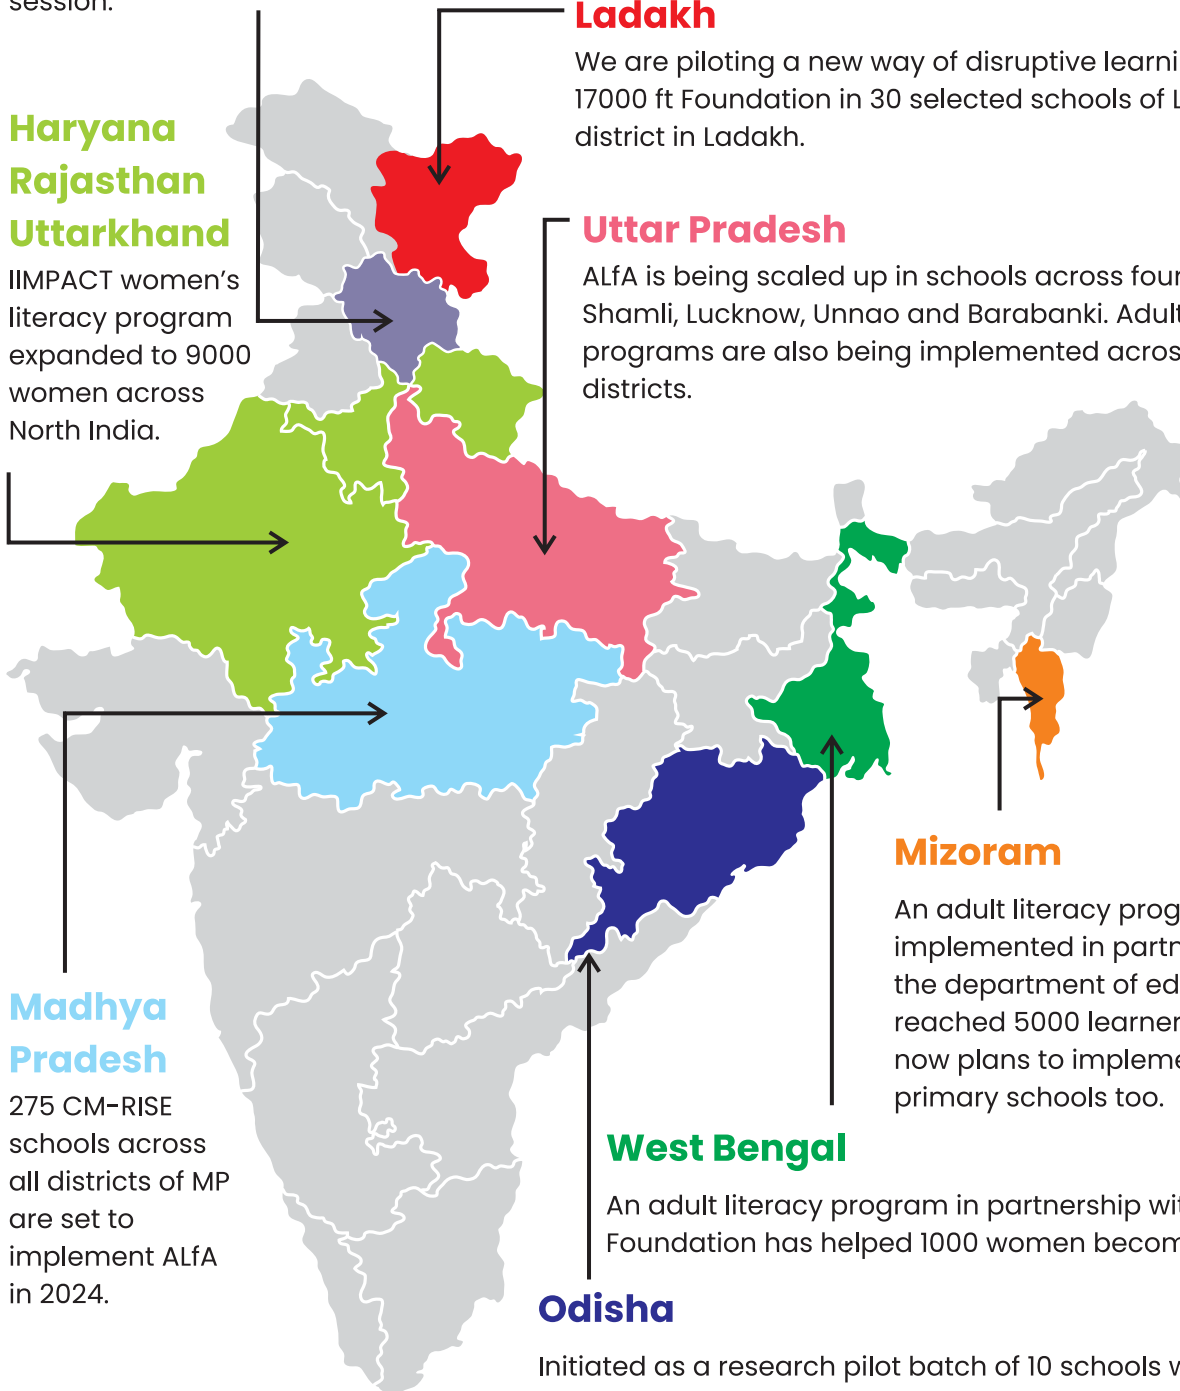

275 CM-RISE schools across all districts of MP are set to implement ALfA in 2024.

West Bengal

An adult literacy program in partnership with IIMPACT Foundation has helped 1000 women become literate.

Odisha

Initiated as a research pilot batch of 10 schools will soon have their endline testing done, after which the program may be expanded to more schools throughout district Sambalpur.

Prof. Fernando Reimers & Team, Harvard Graduate School of Education, Chapter 8 of book: 'Rebuilding Resilient Education Systems After the Covid-19 Pandemic', 2023

Three Times the District's Score

NIPUN Assessment Test (NAT) by UP government shows that ALfA boosted FLN results by 2-3 times in places it was implemented.

In government's own NAT, Hilauli block topped in Unnao. 47% of Hilauli's schools were found to have reached NIPUN status,* three times the district average (15%) and double the state average (24%). This was due to ALfA's impact over just 35 implementation days.

Pedagogy matters!

*A 'NIPUN school' is defined as one in which 80% or more of sampled students passed the basic literacy assessment in each of Grade 1, 2 and 3.

निपुण भारत मिशन में हिलौली प्रथम

Hilauli first in NIPUN Bharat Mission

“ The ALfA pedagogy has been implemented in the 155 schools of Hilauli block since September 2023. There has been a substantial improvement in children's learning levels, in very little time. The ALfA pedagogy has helped Hilauli become NIPUN; for this I praise and recommend your work. ”

A New Roadmap to NIPUN

Start BIG or small. Collect your own or 3rd party data and evidence. Integrate within curriculum and scale without a cost. Come and find out how.

SCALE

System-wide

Adopt across a broad geographical area to race towards universal FLN before NIPUN deadline.

Research

Implementation

Take up ALfA in one of the least-performing districts or blocks. Measure the impact after 45 days.

MODALITY

Incorporate into curriculum

Merge ALfA materials with the existing textbooks. Reduce some pages to avoid duplication, keeping overall printing cost low.

Scaffold for Impact

After the ALfA study materials are completed in 30-45 days, students move to more rapidly complete their regular textbooks.

TRAINING

Training Cascade

In-person training can be cascaded by a sequence of master trainers and trainers.

Massive Open Online Training

MOOT Online training is very effective and highly interactive. It saves time.

Chapter 8 discusses the ALFA pilot in Shamli, UP. ALFA was later implemented in 200 schools of the district, resulting in 36% of schools becoming NIPUN (state average: 24%)

“

The effect size of the project was **0.23 for Grade 3 students and 0.89 for Grade 5...** the results suggest there is significant value in pursuing the ALFA model in other schools if implemented in a coherent, structured, and coordinated manner.

DEVI Sansthan brings together stakeholders from 19 states at leadership circle to make India NIPUN

OUR CORRESPONDENT

LUCKNOW: DEVI Sansthan, India's leading advocate for foundational literacy and numeracy (FLN), hosted the transformative "Leadership Circle" on November 28-29 in Lucknow. This two-day event brought together policymakers, corporate representatives, and grassroots organizations from 19 states from Jammu & Kashmir, Tamil Nadu, Telangana, Madhya Pradesh, Andhra Pradesh, etc and union territories like Puducherry to address regional challenges and accelerate progress

ress towards the ambitious NIPUN Bharat goals. Shri Ashish Kohli, Director of Elementary Education, Himachal Pradesh, inaugurated the event.

Shri. Avanish Kumar Awasthi, Advisor to Chief

Minister Yogi Adityanath, Uttar Pradesh who was the Chief Guest on day 2 shared, "I am delighted to be here at the CMS campus, recognized as one of the largest schooling systems in the world. It is inspiring

to see representatives from 19 states gathered for this important cause. For any country to achieve success, two critical pillars must be prioritized: improving learning outcomes and equipping youth with essential skills. During my interactions with representatives from various states, I was impressed by the dedication and insights shared. My message to all of you is to document your success stories, derive meaningful data, and share your results. Foundational literacy and numeracy must reach every block in the country."
