EACH ONE TEACH ONE CAMPAIGN

- Since 2015 summer holidays, DEVI Sansthan has run the Each One Teach One Campaign.
- So far children of over 160 schools have participated. Over 500,000 Global Dream toolkits have been distributed.
- Global Dream is a disruptive methodology that makes it possible for children as young as 10 years of age to teach.
- The student volunteers can teach someone in their home or neighbourhood.

The logo features the words 'EACH', 'ONE', and 'TEACH' in a bold, sans-serif font. 'EACH' and 'ONE' are stacked vertically on the left, with 'TEACH' positioned to the right of 'ONE'. The letter 'O' in 'ONE' is significantly larger than the other letters. Above the 'A' in 'EACH' is a blue icon of an open book. The words 'EACH' and 'ONE' are in black, while 'TEACH' is in blue.

HOW IT WORKS: PEDAGOGY

What is this?

What is its first sound?

What word do these sounds join together to make?

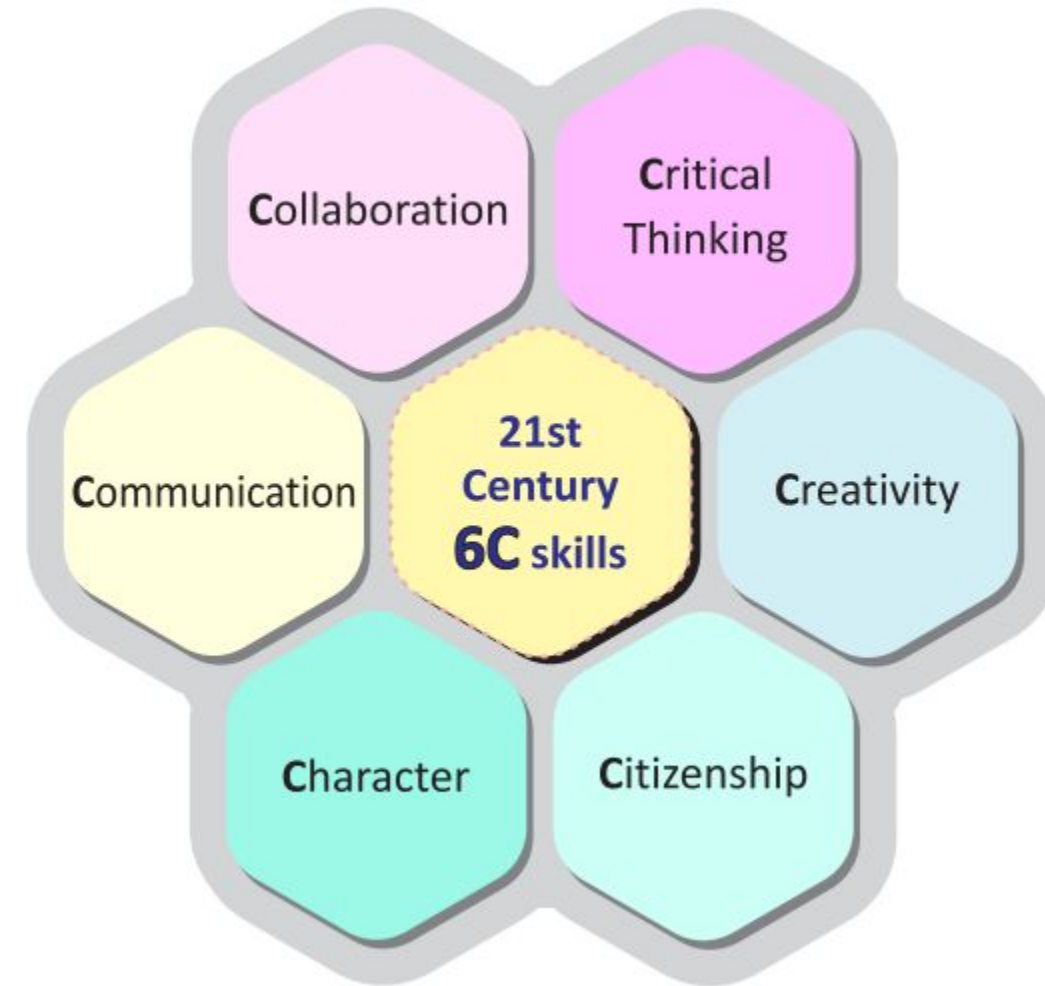

- Mentor asks questions of the learner.
- Builds on existing knowledge of pictures, oral language.
- No rote learning.
- The non-literate child or adult can be made literate in a record time of 45 instructional days with brief sessions of 15-20 minutes per day.

BENEFITS TO STUDENT VOLUNTEERS

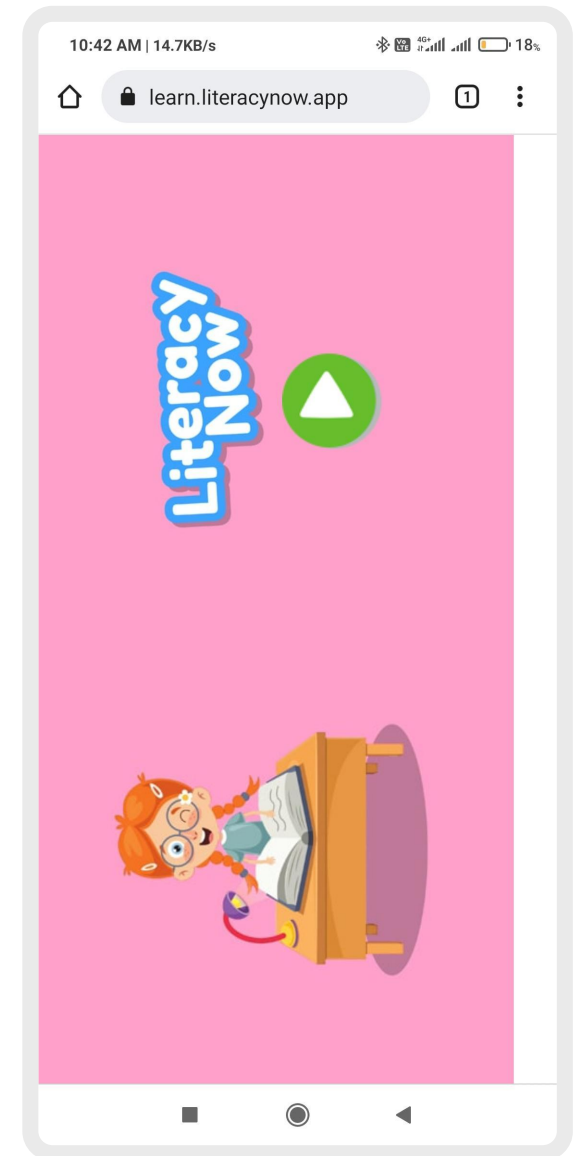

- Development of 6C skills – character, citizenship.
- Opportunity to serve the nation.
- Revision of core concepts.
- National Education Policy emphasizes importance of peer learning:

“Due to the scale of the current learning crisis, all viable methods will be explored to support teachers in the mission of attaining universal foundational literacy and numeracy. Studies around the world show one-on-one peer tutoring to be extremely effective for learning not just for the learner, but also for the tutor. Thus, peer tutoring can be taken up as a voluntary and joyful activity.”

2022: DEVELOPMENT OF LITERACY NOW APP

- Covid Pandemic prompted us to look for digital forms of learning.
- In 2022, we launched Literacy Now web application.
- Simple-to-use, free.
- Short videos and games which the learner can use to rapidly become literate.
- Automates the process of data collection & analysis.

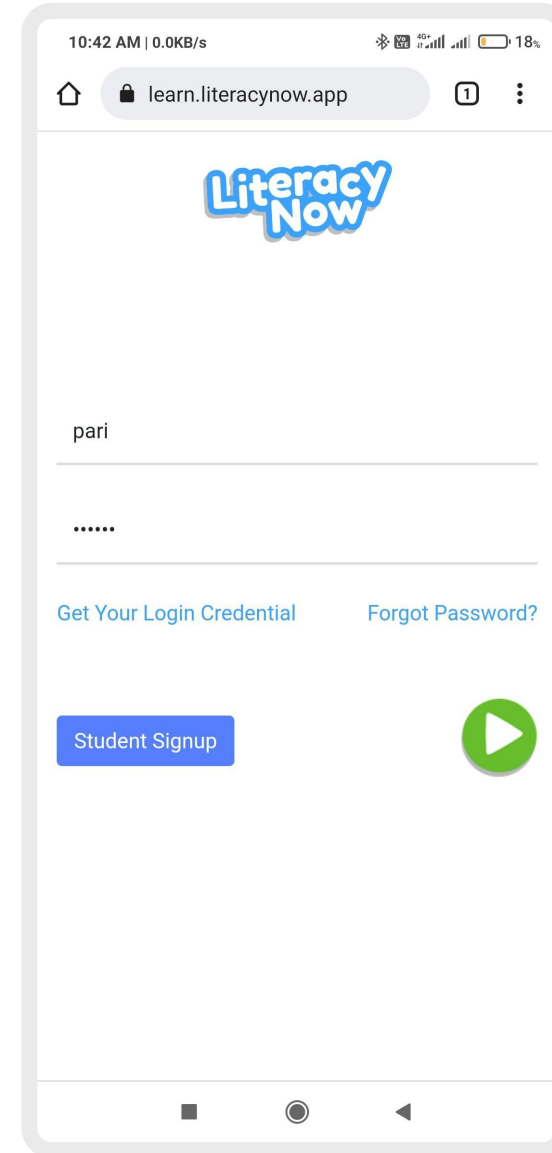

OUR PROPOSAL

- Non-financial MOU.
- Immediately issue a circular inviting participation of all districts in UP.
- Preparation: training of master trainers, generating login IDs.
- We can provide free soft copy of Global Dream books (32 pages reading + 12 pages writing) for department to print. Helpful for all; enables students without smartphones and connectivity to take part.
- Launch program at large scale ahead of summer holidays.

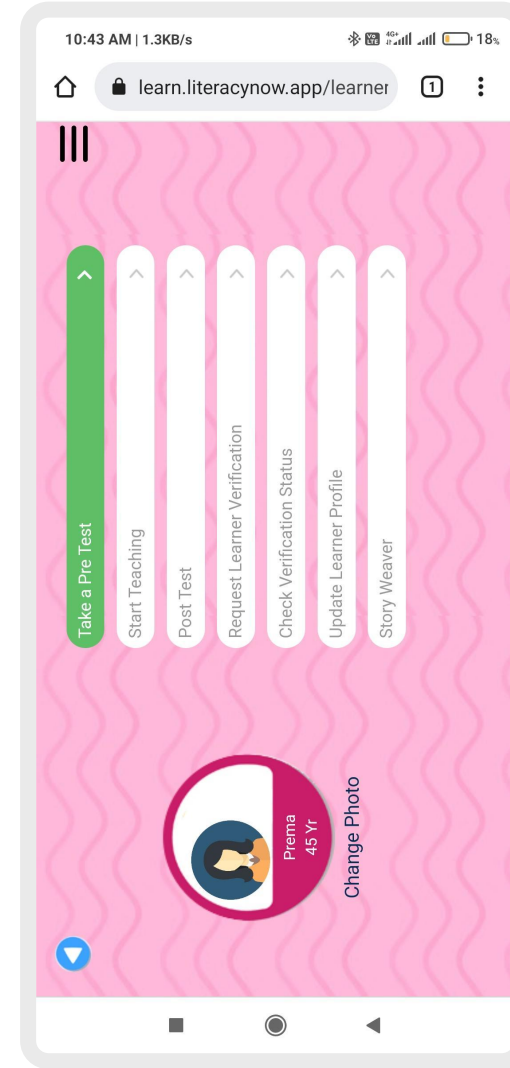

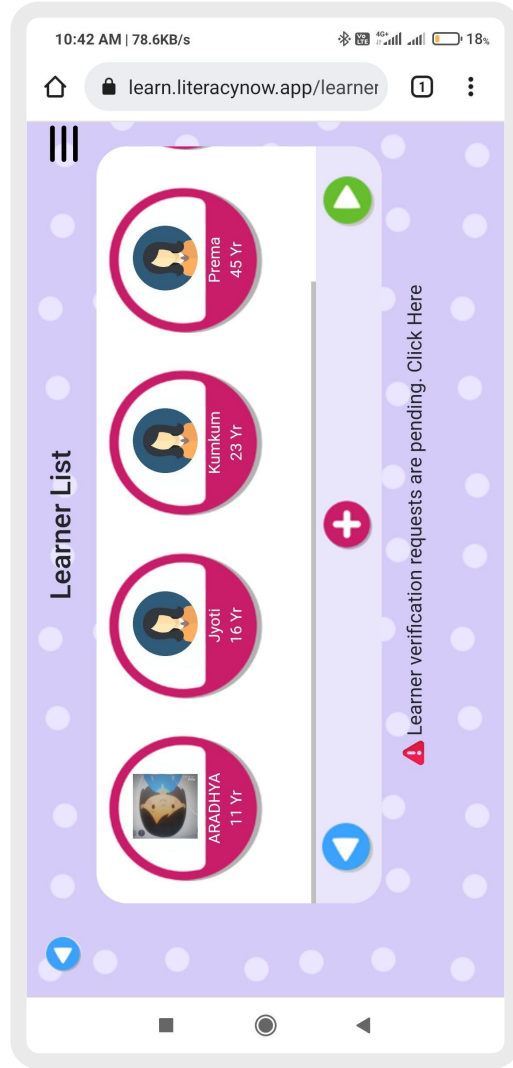

PROCESS FLOW FOR STUDENTS

1. Student registration
2. Learner registration
3. Pretest
4. Teaching & learning
5. Verification
6. Certificate
